Monthly report – February 2017

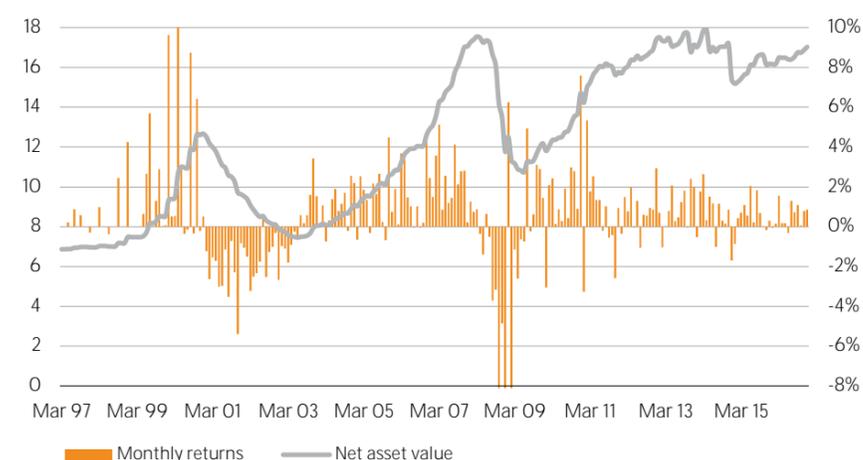

CastlePE's net asset value increased by 0.4 per cent during February. The positive monthly investment result was driven by valuation increases and exits throughout the portfolio, namely the write up in valuation for Country Fresh, PetIQ, and RMS (Residential mortgage origination) by EOS Capital Partners IV, L.P. and Kampa by The Triton Fund II, L.P.

The investment result was further reduced by the 1.7 per cent decrease in the Euro versus the Dollar.

February's cash flows were once again very favourable: CastlePE received distributions of USD 21.7 million, primarily driven by the realisation of Room Food by Polish Enterprise Fund VI, L.P. and the exit of IVC by Summit Partners Europe Private Equity Fund, L.P. during the month.

During February, USD 1.7 million was used to purchase 111,197 shares on the current second line buyback program.
